As for the remarks from the Head of the Hajj Education Foundation, Agus Salim, Drs. M. Erwin Siregar, MBA. said that in an effort to improve the quality of the Medan Area University, the Haji Agus Salim Education Foundation has at the online graduation to congratulate Medan Area University students who have graduated today, hopefully the Medan Area University will progress and become the best private university, especially in North Sumatra, thank you Thanks to the Governor of North Sumatra Mr. Edy Rahmayadi, Mr. Director General of Higher Education and Mr. Head of North Sumatra Region 1 Higher Education Services for your attention.

In an effort to improve the quality of the Medan Area University, the Haji Agus Salim Education Foundation has carried out a lot of construction, especially currently building a laboratory building and adding a representative lecture building for the convenience of student lectures. The concern of the Haji Agus Salim Education Foundation is not only concerned with campus facilities, but YPHAS also builds enthusiasm and motivation for student learning through the provision of scholarships for siblings, scholarships for high achieving students and other scholarships.

As for the remarks from the Director General of Higher Education, Prof. Ir. Nizam, M.Sc., DIC., Ph.D at the online graduation said congratulations to the online graduation of the Medan Area University bachelor and master program period I in 2021, we now know that in the era of the industrial revolution 4.0 which is full of dynamics of changing jobs, many Lost jobs are replaced by intelligent systems replaced by automation, but the opportunities with the birth of new employment fields are very wide open,

As for the remarks from the North Sumatra Region 1 Higher Education Service Institute Prof. Dr. Ibnu Hajar, M.Si, I would like to congratulate the online graduation of the Medan Area University bachelor and master program period I in 2020, the implementation of this graduation is an achievement of UMA's performance and reputation as a contribution to the development of the nation's children, hopefully UMA will make more achievements and improve educational services which has quality as a developing and competitive university.

Furthermore, remarks from the Governor of North Sumatra, Mr. Edy Rahmayadi at the online graduation, said that in the era of globalization and digital technology, which is very rapidly currently providing opportunities as well as challenges for the younger generation, UMA is a private university in North Sumatra that has produced many innovative human resources. , have a personality and independence so that they are able to compete in national and international markets,UMA is also one of the best private campuses in North Sumatra which plays an active role in protecting the environment, this is evidenced by the current management of the campus forest park as a conservation forest of the Ministry of Forestry of the Republic of Indonesia, making UMA the bestari campus and UMA achieving national and international rankings at GreenMetric 2021 which focuses on a healthy campus environment.

"I hope that UMA graduates can contribute to North Sumatra Province by providing creative ideas and innovative solutions to advance the dignified Province of North Sumatra," said the Governor of North Sumatra.

Furthermore, the remarks from outstanding alumni at the online graduation uma said congratulations to the graduates of Medan Area University who today have graduated online for the first period of 2021. I hope the knowledge gained can be effective and useful for the country and the nation, "said the outstanding alumni.

As for the remarks from the parents / guardians delivered at the online graduation, congratulating the Medan area university students who have graduated today, we as parents are very happy and happy that our child has successfully graduated. Graduation this time is not the end, but it is the beginning of a struggle in educating and struggling, your future is in your grasp. Achieve your dreams in a bright future that you will face, continue to be a better person and remain the pride of mothers and fathers, "said the parents' welcome.

Hopefully this online graduation will be a good momentum to achieve success in the future. Hopefully this success will be a great start and extraordinary enthusiasm so as to be able to improve your achievements, and in the end be able to make you part of the Indonesian society who is personality, innovative, and independent and is able to play an active role in development in Indonesia.
