

## UNIVERSITY OF MEDAN AREA EARNS UI GREENMETRIC WORLD UNIVERSITY RANKING

Congratulations to Medan Area University, which has received the latest UI GreenMetric World University Ranking at rank 17 on the National scale and 303 on the international scale, and ranks 2nd in North Sumatra After with a total of 5452 points below the University of North Sumatra as ranked 1 in Sumatra North with a total of 5800 points or can be seen on the page <https://greenmetric.ui.ac.id/overall-rankings-2019/> . The ranking is a very good achievement for Medan Area University.

UI GreenMetric World University Ranking is an annual university ranking event held by UI GreenMetric. UI GreenMetric is a program from the [University of Indonesia](#) . UI GreenMetric evaluates universities based on university commitments and actions towards greening and environmental sustainability (quoted from wikipedia), where the assessment methodology is carried out in the form of

Criteria for calculating UI GreenMetric values		
Criteria	Percentage of total value (%)	Information
Land and Infrastructure Arrangement (SI)	15	Various arrangements for building and university environment in the direction of a green environment.
Energy and Climate Change (EC)	21	University attention to energy use, alternative energy and climate change issues.
Trash (WS)	18	Treatment and recycling of rubbish and waste in the university
Water (WR)	10	University program to conserve water use.
Transportation (TR)	18	University programs for environmentally friendly transportation.
Education (ED)	18	The role of the University in fostering a green generation, with education, research, and supporting activities.

Medan Area University is very concerned and has a high commitment in excellent environmental management for the creation of a clean, natural and environmentally friendly

campus, including Medan Area University is the only private campus in North Sumatra that has a very good conservation forest has been certified as the bestari campus and obtained a UIGreenMetric certificate directly from the University of Indonesia.

# CERTIFICATE

This certificate is awarded to

**Universitas Medan Area**

as The 17<sup>th</sup> Most Sustainable University in Indonesia  
in 2019 UI GreenMetric World University Rankings

Jakarta, December 3, 2019

**Prof. Dr. Ir. Muhammad Anis. M. Met**  
Rector of Universitas Indonesia

**Prof. Riri Fitri Sari, M.M., M.Sc**  
Chairperson of UI GreenMetric  
World University Rankings

Many efforts have been made by the Medan Area University in realizing the creation of a *green campus* including the processing of B1, B2, B3 waste, processing waste into fertilizer, processing clean water and utilizing water back to ready-to-drink RO water which can be directly consumed by the general public especially students, according to the steps conducted by Medan Area University to become a *green campus* and environmentally friendly campus, so that Medan Area University deserves a ranking at *UI GreenMetric World University Ranking*.
